

## St Thomas Baby Quilt

### **Supplies:**

Cotton fabric in 2 coordinating bright, cheerful baby colors

Lightweight batting 21"x21"

### **Cutting:**

Fabric A: 14-1/2" x 14-1/2" square for quilt top (cut 1)  
3-1/2" x 3-1/2" corner squares (cut 4)

Fabric B: 3-1/2" x 14-1/2" border strip (cut 4)  
20-1/2" x 20-1/2" backing (cut 1)

**Finished Size:** 20" x 20"

**General Instructions:** Use 1/4" seams. Take special care when using fabric with a 1-way design.

### **Assembly Instructions:**

Pin 2 "B" border strips to opposite sides of the 14-1/2" quilt top square (Fabric A). Sew, press toward center.

Pin 1 "A" corner square to the ends of the other two "B" boarder strips; sew, press toward center.

Pin sewn border strips to the top and bottom edge of the quilt top, matching the seams. Sew. Press the entire quilt top.

Place batting on the bottom. Lay quilt backing right side up on top of batting. Place sewn quilt top right side up facing lining. Pin all three layers together.

Sew the three together leaving a 4" opening for turning. After sewing together, trim corners and edges. Pull inside through opening, between top and lining/batting.

Press, turning edges of opening inside, pin, then top stitch around quilt close to edge. Choose your quilting design (ex. heart in center square, stitch in the ditch, etc.) securing quilt center with stitching. This is a good time to pray for the baby who will receive the quilt.

Sew label on corner of quilt.
